

Weekly Program Description

Week #1: Kick off to Summer Fun

Children will have the opportunity to kick off the summer with meeting their new peers and be able to celebrate with their campers “Canada Day” and “Tropical Thursday”. Our off-site excursion for the week will be “Cineplex.”

Week #2: All Around the World

Children will have the opportunity to learn more about the many cultures embedded within Fun on the Run. Children will be invited to share with their peers, their favourite family recipes and favourite cultural games that they engage with their family members. Our weekly in house guest will be “Minute to Win it” and our off-site excursion will be “Tree Top Trekking.”

Week #3: Into the Wild

This week’s camp program has been designed to allow children to explore the many wonders of exotic animals and immerse children in an unforgettable educational, fun experience. Children will have the opportunity to learn about habitats, animal migration, and the anatomy of all animals. Our weekly in house guest will be “Reptilia” and our off-site excursion will be the “Toronto Zoo.”

Week #4: Over the Rainbow

This week’s camp program has been designed to allow children to engage and tinker with a variety of art mediums including pastels, water colour paint, and clay while creating a masterpiece. Children will be encouraged to think outside of the box and follow their imaginations. Our weekly in house guest will be “Crock-A-Doodle” and our off-site excursion will be “LEGOLAND Discovery Centre”.

Week #5: Brilliant Masterminds

S.T.E.M. is a learning process that integrates the areas of science, technology, engineering and mathematics. Throughout this process, children will develop key skills such as problem solving and creativity. Throughout this week, children will be introduced to a variety of opportunities. Our weekly in house guest will be “Astronomy in Action” and our off-site excursion will be “The Ontario Science Centre.”

SUMMER CAMP 2023

Weekly Program Description

Week #6: Summer Olympics

Children will have the opportunity to put their sports skills to the test by participating in a variety of sports where they will be invited to partake in obstacle courses, game competitions and much more! Our weekly off-site excursion will be “Sky Zone Vaughan.”

Week #7: Carnival

Children will have the opportunity to learn all about MAGIC and explore their fun senses while engaging with their peers. This week will allow children to engage in their crafty imagination and have the opportunity to express themselves through “Tie Dye Day” and “Costume Day”. Our in house guest will be a magic show hosted by “WonderPhil” and our off-site excursion will be a carnival, which will be hosted at “Caledon Park”.

Week #8: Farewell Summer, Hello Fall

In our last week of summer camp, children will have the opportunity to participate and explore the many wonders of science and have the opportunity to learn different science experiments. Our in house guest will be “Super Science” and our off-site excursion will be “Downey’s Farm”. Children will have the opportunity to engage in a variety of activities on the farm such as wagon rides, farm animals and jumping pillows!

We look forward to spending the Summer 2023 with you! 😊
