FUN ON THE RUN

Before & After School Program

Welcome Back, Families!

Welcome to a new school year at Nellie McClung P.S. and Fun on the Run!

We are excited to begin another year filled with fun, friendship, creativity, learning, and opportunities for children to explore their interests.

This year, we are introducing weekly clubs and activity days for our different age groups. Our goal is to provide engaging experiences that encourage children to learn through play, hands-on activities, creativity, teamwork, and discovery.

Upcoming Events

IMPORTANT CLUB REGISTRATION INFORMATION

Participation in the School Age 2 & School Age 3 clubs requires registration.

To participate:

- Children must sign up for the club(s) they would like to attend.
- Parent/guardian permission must be provided before a child can participate.
- Children may sign up for one or multiple clubs, depending on their interests and availability.
- Club spaces may be limited.

Additional information about club sign-up and parent permission will be provided by the Fun on the Run team.

Kindergarten & School Age 1 families

More information will also be provided regarding participation in the Baking Club, Little Science Club, and Challenge & Problem-Solving Skills Day.

LEARNING THROUGH FUN!

At Fun on the Run, we believe every child should have opportunities to play, explore, create, discover, and grow.

WEEKLY ACTIVITIES

Our weekly activities are designed to help children:

- Build confidence
- Develop teamwork skills
- Explore new interests
- Strengthen problem-solving skills
- Express their creativity
- Develop independence
- Learn through hands-on experiences
- Build positive friendships

Learning Highlight

KINDERGARTEN & SCHOOL AGE 1

Little Learners • Big Discoveries!

Our Kindergarten and School Age 1 children will have their own special weekly activities designed to be age-appropriate, hands-on, and lots of fun!

Monday | Baking Club

Let's get baking! Children will explore simple baking activities while learning about ingredients, following directions, measuring, mixing, and working together.

Wednesday — Little Science Club

Get ready to explore, discover, and ask questions! Our Little Science Club will introduce children to fun, age-appropriate science concepts through simple experiments, observations, and hands-on exploration.

Friday — Challenge & Problem-Solving Skills Day

Think, create, build, and solve! Children will participate in fun challenges, puzzles, building activities, games, and activities that encourage them to think creatively and find solutions.

SCHOOL AGE 2 & SCHOOL AGE 3

Explore • Create • Discover • Have Fun!

Our older school-age children will have the opportunity to participate in weekly clubs that encourage creativity, independence, teamwork, and skill development.

Tuesday — little chefs Club

Children will explore recipes, ingredients, kitchen skills, and the fun of creating something together.

Wednesday — Homework Club

A supportive space for children to work on homework, reading, projects, or other school-related activities.

Thursday — Book, Music & Drama Club

Children will explore stories, music, drama, role-playing, movement, and creative expression while building confidence and having fun.

Friday — STEM Club

Science • Technology • Engineering • Mathematics

Children will participate in hands-on experiments, building challenges, STEM activities, and problem-solving opportunities designed to encourage curiosity and creative thinking.

PROGRAM REMINDERS

- PLEASE NOTIFY STAFF IF YOUR CHILD WILL BE ABSENT
